

Tril-Clear™

**Proprietary emulsion technology from
Trilogy Essential Ingredients.**

**The forecast for brand success is clear when you turn to
Tril-Clear™ Emulsions. You'll achieve clear and cloudless
beverages, liquid oral care, pharmaceutical and nutraceutical
products – with added benefits that shine right through.**

- Longer shelf life
- Reduces rate of oxidation due to small drops coated with surfactant
- Allows oil soluble ingredients to function like water soluble ingredients
- Improves delivery of nutritional ingredients such as Vitamin E, Omega 3, DHA and CoQ10
- Increases bioavailability of nutritional ingredients
 - Enhances the delivery of citrus oils, mint oils and other essential oils and colors
 - Suitable for Halal and Kosher applications since no alcohol is used

**Tril-Clear™ is one of the Next Wave™ brand of healthy
solution products from Trilogy Essential Ingredients**
